Bachelor of Arts in Criminal Justice 120 credits

Program Description

This program usher students to academic and professional environments related to the Criminal Justice field. The Bachelor of Arts in Criminal Justice provides students a detailed view of the field with specific emphasis on the legal, forensic, and academic aspects of the discipline.

Students who graduate from this program can pursue professional positions in the public or private sector or pursue a graduate degree in law or in the social sciences. The program is structured to address current topics in the field such as multiculturalism, alternate sentencing methods, rehabilitation processes, and cybercrimes, among others.

Program Objectives

Provide students with theoretical and practical knowledge that will facilitate problem solving and analysis in the criminal justice field.

- 1. Develop critical thinking skills that help students comprehend the causes of crime and the different alternatives to tackle these causes.
- 2. Enhance students' knowledge and experiences to facilitate the attainment of new or higher professional positions in the field.
- 3. Provide a comprehensive examination of the Criminal Justice field with specific emphasis on crime prevention and law enforcement, legal foundations, and academic research.
- 4. Develop awareness of diversity and justice in students' analysis of criminal conduct and alternatives for punishment.
- Offer an innovative and current curriculum that fulfills the students' professional and academic goals, and responds to the country's social, economic, cultural, and professional needs.
- 6. Empower students with a holistic and balanced view of the discipline to facilitate the application and practice of their acquired skills.
- 7. Develop proficiency to communicate adequately in English and Spanish both orally and in writing.

Program sequence will be available at the time of enrollment.

The language of instruction and program delivery modality are subject to availability.

Notes:

1. Students must comply with state and local requirements or limitations to practice the profession.
