

# Master of Business Administration with specialization in Agribusiness

## 42 credits

### Specific Program Admission Requirements

1. Successfully completed a bachelor's degree in the same area of specialization or completed six (6) college-level credits in financial accounting from an accredited school.
2. If this prerequisite is not met the student must enroll in the course ACCO 500. ACCO 500 will not count for the student's cumulative grade point average.

### Program Description

This specialization prepares students for the decision making and planning process in the agribusiness industry. It presents theoretical and practical concepts related to the production and consumption of goods. It also provides the strategies to achieve organizational goals according to the global economy standards.

### Program Objectives

1. Develop an understanding for quantitative methods used in managerial decision making.
2. Understand the main forces related to production, distribution and consumption of food and agribusiness products.
3. Apply financial principles to guide the solution of complex decisions.
4. Understand current issues in the environment, food safety, market regulations, international trade and other relevant topics and how they affect the food value chain.
5. Develop skills in human resource management to maintain an effective labor force.
6. Study real world problems and viable solutions in order to develop a method for decision making.

Program sequence will be available at the time of enrollment.

The language of instruction and program delivery modality are subject to availability.

### Notes:

1. ACCO 500 Financial Accounting is required for those students who do not have a minimum of six (6) college-level credits in financial accounting from an accredited school. Successful completion of ACCO 500 (or verification of six (6) college-level credits in financial accounting) is a prerequisite required before entering any ACCO or FINA course. Students who do not have six (6) college-level credits in financial accounting are required to successfully complete ACCO 500.
