

Master of Business Administration with specialization in Finance

39 credits

Specific Program Admission Requirements

1. Successfully completed a bachelor's degree with a minimum GPA of 3.00.

Program Description

The Masters of Business Administration with specialization in Finance will provide students with theoretical and practical concepts of management and in particular entrepreneurial management with a strong emphasis on finance based on global and regional case studies and contexts. This MBA in Finance, in general orientation, will prepare students for roles in financial risk management and in addition provides a choice of corporate finance study, all with a global perspective. Emphasis is given on developing a sound working knowledge of core disciplines and the analytical financial skills necessary to understand and direct the work of other functional and operational specialists in cross commercial or entrepreneurial settings.

Program Objectives

1. Serve the advanced management needs of local, national and global enterprises.
2. Produce knowledge and competencies for operational and strategic perspectives in accordance with new social and business trends.
3. Acquire a sound working knowledge of the core disciplines of business supplemented by an in-depth study of the latest financial tools and techniques.
4. Apply the conceptual frameworks and skills of critical analysis applicable to entrepreneurial operations in global economy.
5. Understand and apply financial concepts to a global and local context and within a business environment, with emphasis in SME'S (Small and Medium Enterprises) and non-profit organization.

Program sequence will be available at the time of enrollment.

The language of instruction and program delivery modality are subject to availability.
